## 公司简介 Company Introduction

佛山市广上不锈钢有限公司是以生产不锈钢焊接管以及相关配件为主导产业的大型国际化企业，公司依靠规模化的生产能力、领先的设备和技术、高素质的销售和管理团队以及良好的信用保证，为全球客户提供高品质和高附加值的产品与服务。

产品符合国内外多种规范标准，包括：建筑装饰和机械结构用不锈钢管（ASTM A554、GB/T 12770、JG/T 3030、YB/T 5363、JIS G3446）；锅炉热交换器、冷凝器用不锈钢管（ASTM A249、JIS G3463、DIN 17457、EN 10217-7、GB/T 24593）；食品卫生用不锈钢管（ASTM A270、DIN 11850、JIS G3447、ISO 2037）以及薄壁饮用水不锈钢管（GB/T 19228、JIS G3448、EN 10313、CJ/T 151）。

生产工艺技术及产能规模优势明显：现有工厂面积30000平方米，连续成型工艺生产线60多条；产品规格齐全，可生产外径6mm至219mm，壁厚0.4mm至6.0mm，年产设计能力4万吨以上。

坚持品质与服务并重：拥有健全的检验检测设备和生产资质证书，按照严密的质量管理体系，从原材料的选用和检验开始，确保产品质量符合规范标准生产或满足客户的特殊要求；建立客户满意度管理体系，服务于全球60多个国家1000家以上的客户，每年出口不锈钢焊接管超过25000吨，其中ASTM A554不锈钢焊接管的出口量为中国第一。

Foshan Vinmay Stainless Steel Co.,Ltd is a large-scale international enterprise which concentrates on producing stainless steel welded tubes and the related fittings. With the large-scale production capacity, advanced equipments and technology, a professional sales and management team and the good credit guarantee, Vinmay has been offering high quality and value added products and service to our clients all over the world.

Our products are strictly produced according to multiple international standards including stainless steel welded tubes for ornamental and mechanical structure purposes (ASTM A554, GB/T12770, JG/T 3030, YB/T 5363, JIS G3446); stainless steel welded tubes for boiler, heat exchanger and condenser (ASTM A249, JIS G3463, DIN 17457, EN 10217-7, GB/T 24593); stainless steel sanitary welded tubes (ASTM A270, DIN 11850, JIS G3447, ISO 2037) and light gauge stainless steel water tubes (GB/T 19228, JIS G3448, EN 10313, CJ/T 151).

Our advantages in production technology and capacity: With 30000 square meters' workshop, we own over 60 continuously forming lines, providing a wide size range from diameter 6mm to 219mm with thickness from 0.4mm to 6.0mm. Our designed annual output is more than 40000 tons.

Vinmay is a quality and service oriented company. We own adequate inspection equipments and qualification certificates of production, and follow strict quality management system so as to ensure that our quality meets the standards as well as client's special requirements. Moreover, we established a customer satisfaction management system which is applied to serve over 1000 companies from 60 countries. Currently we export more than 25000 tons of stainless steel welded tubes every year, of which the export volume of ASTM A554 tubes is the first place in China.
